Our ministries and services took root in Honduras, Central America where we have co-labored since 1980, through various agencies, missions and missionaries in order to successfully help to create premier missions, ministry, relief and development projects, the establishment of Christian schools and minister training schools and programs. Here are some sample links of works we helped to initiate: [Predisan](#), [Trujillo Christian School](#), [EBH](#), [The Good Samaritan School](#), [Honduras Outreach](#).

Our non profit was formed in 1991 as [Mission Del Caribe 501\(c\)\(3\)](#) (Mission To The Caribbean) The vision at that time was to train and utilize native ministers in conjunction with missions teams to serve the needy while spreading the Gospel in eastern Honduras. We mounted an impacting and significant response to the devastation of [Hurricane Mitch](#) from 1998 forward. We raised and administered over 1 million dollars in rescue and relief aid. Under Pastor Jedidiah's leadership, as President, the mission vision went global back in 2008 when he was given a mandate to reach the nations. Fast forward to February 2021 and Mission Del Caribe changed its name to CrownLife International Inc. 501(c)(3) in order to meet this international global mission and vision.
